Our System Stands the Test

THE TEST of every business must be the methods employed, and the ethics followed in serving its customers, employees and others.

The soundest rule ever written is "The Golden Rule."

We believe that a business, to be successful, must be founded on the idea that there are other things in life than merely making money.

Business, to succeed, must be a life devoted to doing the right thing.

That is why we make it a policy to surprise—agreeably surprise our customers, THE INDEPENDENT RETAILERS OF ALBERTA, with our service and prices.

Yours for prompt, personal service,

H. H. COOPER LIMITED
